Tools for Teachers™

dvd \$24.95 x ____ = \$ _____

Bringing Sensory Integration into the Classroom video \$24.95 x ____ = \$ _____

This video/dvd is ideal for teacher familiarization, parent education and in-services. In less than 20 minutes, it explains why some students may have difficulty with physical coordination, are sensitive to light, sound, or touch, have spells of challenging behaviors, and are unable to focus. It shows how simple activities that promote self-regulation can lead to greater attention, balance, and higher effectiveness in students.

Tools for Students™

... A handbook to bring Sensory Integration into the home

Based on parent surveys and the successful *Tools For Parents* program, a handbook of TOOLS for parents, caretakers, therapists, children and their teachers.

You'll find the following topics and more ... Parent Sensory Tools Survey * Your Child's Sensory Needs * Challenging Behaviors * Getting Ready * The Homework Place * Can't Sit Still * Scissors, Pencils & Computers * Playgrounds and Parks * Seeing * Holiday Helpers * Heavy Jobs * Making Friends.

Emphasizing SENSORY INTEGRATION, this companion to the *Tools for Teachers™* and the *Tools for Students™* videos/dvds reinforces the *Tool Chest™* handbook activities used by the teachers and therapists in the classrooms. Collaboration is easy between home and school.

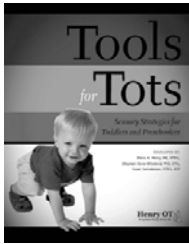

SI Tools for Teens: Strategies to Promote Sensory Processing™ \$15.95x ____ = \$ _____
handbook

This handbook highlights Sensory Integration and Sensory Processing for teens, their parents, teachers and therapists. Topics include understanding the teen brain, the sleepy teen, thrill seeking, drugs, and teen spaces. Healthy age-appropriate alternatives include movement, muscle, ear and eye tools. The Teen Sensory Tool Survey provides teens with the opportunity to share their sensory preferences and needs with their parents, teachers, and therapists. Diana Henry, MS OTR/L once again promotes collaboration using a **sensory integrative** framework.
